

Did you know that Walkington Pre School is a registered charity? Also, without at least six committee members the pre school would have to fold. Currently we are a busy group of 12 people who meet once a month. As you can imagine, we are all busy but what we all have in common is that we want to enrich and improve the learning environment for the youngest generation in the village.

What do we do?

Well, it's not all about fundraising! At monthly meetings, we discuss a wide range of issues, such as monitoring admissions, reviewing policies and making financial decisions. Of course, we do discuss and organise fundraising activities too.

Who are we?

Kelly
Chairperson

I am Kelly and this is my second year on the committee but my first as Chairperson. The chairperson sets the agenda, maintains control, and encourages other members to contribute to the committee. The chair is also involved with appraisals and managerial issues. I have two children, one of which has just left the preschool for primary school and one who is on the waiting list for pre school. Watching the recent transformation of the Pavilion has been inspirational and as a committee we hope to take the pre school further forward, making it the crowning glory of the village and a place where future generations thrive and enjoy for years to come.

Member Profile: Sue Fairburn

I have three children and my youngest child Beatrice is currently at Walkington Preschool. I joined the committee 2 years ago when my eldest daughter enrolled. Both my girls have loved attending Walkington Pre School, they love the staff, the children and with our new refurbishment, the surroundings too. I guess being a member of the committee helps me give a little time and support back for all the laughter, fun, development, encouragement and confidence that Walkington Preschool has given my children.

PLEASE approach one of us if you have an idea to share! We'd love to hear your suggestions!

Finally as a committee we would like to thank you for your continuing support.
